

TRAILWRITES

MAKING TRAILS RIGHT

4/13/2016

Spring/Summer work schedule:

Sat. April 16 - Trailwrights annual meeting. The one time we ALL can get together and plan the future events for Trailwrights. We will be meeting at Fox Forest in Hillsboro at 10:00, to work on the tools and tool trailer. Or, you can go for short hikes around the area. Bring your own lunch for 12:00, then 1:00 ice cream, a tradition begun by Roger Lessard when we first formed in 1987. The meeting begins at 1:00, followed by a wonderful mid-afternoon pot luck dinner. Bring what you like best! It's always great to meet those who can't come out on work days, as well as to greet old friends. We also need to discuss why we aren't working for the State of NH this year. Liability & insurance!

Sat. April 30 - Friedsam -A steep section of trail has eroded, and the group needs help and advice on what to do next. Join us as we look at this not-so-unique problem and help them solve it. No tools needed. Contact Bob Spoerl for time and meeting place.

Sat. May 14 - Friedsam, Chesterfield, NH. We will take tools. This is a Trailwright led outing. Contact Bob Spoerl for time and meeting place.

May 27 - 30 - Chatham Trails Assn. has asked us to assist them with their yearly work. Free overnight lodging and meals! For more information, contact Mike Zlogar, or register at chathamtrails.org.

June 3 - 5 - CTA continued. Future dates Sept. 30 - Oct. 2.

July 15 - 17 - Monadnock Trails Week. Join Trailwrights at the SPNHF sponsored work week to celebrate NH Trails Day. Contact Ray Jackson for more information

Tasks to be done while checking your trail for the spring walkabout:

Downed branches and look for hangers, clean water-bars and stream crossings, check bridges for stability and condition of stringers, check signs and blazing, inventory work to be done later in the year, especially wet areas that disappear in drier conditions...

Go on our website at www.trailwrights.org or our Facebook page to see any updates

Don't forget to stop at The Old Man viewing and find our 12x24 paver.
