## MAKING TRAILS RIGHT

### Great News:

The State of New Hampshire has allowed Trailwrights to work on their properties this year, so our calendar has more places for us to go, more choices for you to join us, and more good work to be done in this great state.

### Annual Meeting:

#### April 15, 2017 at Fox Forest in Hillsboro, NH.

Call any director for directions. The day will begin at the garage at 10:00 a.m. where we removed the tools from the trailer, clean them, sharpen them, oil them, and lovingly return them to a freshly cleaned trailer. We should be done by noon, then take a break and have trail lunch in the building, or outside if the weather is nice. At 1:00 we eat ice cream, a tradition begun by Roger Lessard in 1988 when he worked for an ice cream company.

The business meeting begins during ice cream, and the agenda this year includes:

Election of officers

The Volunteer Agreement form with NH

Solidifying our schedule for the year (or first half)

Future of Trailwrights

72 Summits club update

After the meeting, we will be treated to a PowerPoint presentation by Hal Graham on High Pointers. Come find out what that's all about. It will change your life. Then best of all is our **potluck dinner**. Bring what you like best to eat to share with others.

May 13 – Artist's Bluff, Franconia Notch State Park

May 26-28 – Chatham Trails. Evans Notch. We will join with that group.
