

TRAILWRITES

MAKING TRAILS RIGHT

Summer 2020 Schedule:

July 2020

We hope that all of you and your family members are safe and healthy. We are disappointed that we have not been able to meet recently. Due to NH State regulations, we will not be working on State properties until further notice.

Come join the us on August 1st, our first work day of the year at the Dottie Bean Property. We will follow CDC guidelines in effect at the time. Bring a face mask if you feel the need. Our goal is to clean up trails on the property, measure a bridge and determine material needs for future repairs and possibly blazing if time permits. Wear sturdy boots, bring work gloves, water and lunch, tools will be provided. We will meet at 280 Meetinghouse Hill Road, Farmington, NH at 8:30. Contact Ray Jackson at rayjtrails@gmail.com if further information needed.

Here are more details on the Aug. 1 Dottie Bean Property work day in Farmington. Park most in field to trail, then take tools, tape and notepad to gated road/gate with spotted car(s) to sand pit parking. Check out short falls trail to right then follow trail to junction. Trail splits - possibly two crews; longer to summit to right and shorter to left to closed bridge for measurements then continue trail cleanup to second trail junction. We could separately volunteer for both directions. Blazing another date, as well as repair of the bridge.

Go on our website at www.trailwrights.org or our Facebook page to see any updates

Don't forget to stop at The Old Man viewing and find our 12x24 paver.

FOR SALE:

Bell & Howell automatic professional Slide projector used by Trailwrights for several years when we made presentations to other groups. If anyone is interested, or knows some way to sell this item, could you please notify a member of the Board.
