## MAKING TRAILS RIGHT

November 2025

Another great year for the trails in New Hampshire! It all started at Fox Forest at our annual meeting on April 19, when we sharpened tools in the morning, and had our potluck and meeting in the afternoon. We elected some new people to the board. We made two amendments to our by-laws by removing the education chairman, and changing monthly meetings to meetings "as needed". We put in a total of 764.5 volunteer hours at Fox Forest, Artist's Bluff, Kearsarge South, Gunstock, Sugarloaf, Mt. Pemigewasset, Monadnock. Mostly rain or shine with 48 different people! So glad you all turned out, and hope you learned a lot.

Innumerable thanks go to Karl Gould for planning and executing all our outings, and seeing that the tool trailer is at the trailhead. Thanks to Bruce Richards for finding us work to do, and keeping up with the 72 Summits. And more thanks to all those who come out and help the trails be the best they can! Editor (this could be you!).
